Highway Department Asks \$200,000 For Clifton-Franklin Route.

Phoenix, Ariz., Oct. 23.—The state highway department has asked bids on the Clifton-Franklin highway project, to cost about \$200,000, of which half will be paid by the national government. This road will be an important link in the transcontinental system that will connect Clifton with the New Mexico line by way of Guthrie, Duncan and Franklin. From Clifton westward the road already has been improved in Salomeville in Graham county. Thence the route westward is by the way of Globe and over the Roosevelt road to Mesa. A new construction will be made about time within the next two years by the state highway under construction from Miami to Superior, somewhat shorter than by the way of Roosevelt.

Magistrate Says Wishes He Was Solomon

London, Eng., Oct. 23.—Suppose you were sent out of the army, walked into the hallway of your home, opened a letter addressed to your wife and the second sentence started at you like this:

"Well, dear, I was pleased to hear you are going to get a divorce from your 'hubby' and I shall not be sorry."

And the next concluded: "Your ever loving sweetheart, Walter."

What would you do? Walter Buck, of Whiteford, started suit for divorce. His wife swore she knew no one by the name of Walter except her husband, and was not a divorcee.

The persistent part read: "I have not seen you for a long time, but we will make up for lost time when we meet. I will close with fond love, Mary. Twenty kisses were duly enclosed."

Buck swore he didn't know any girl named Mary and the letter was in his wife's handwriting. A befuddled magistrate missed his paper about, wished he was Solomon, remembered the shooting suit cases have caused recently, then sent them home together, with the authority of the love letters still an unsolved mystery.

RAILROAD TO BOOM MANY TOWNS AROUND BRECKENRIDGE

Breckenridge, Texas, Oct. 23.—Nothing but the want of building materials prevents the greatest building boom in Breckenridge, Texas, that has ever come to an old town in Texas.

The extent of building that is now going on here is very great despite the long haul for materials and the plans that are matured for extensive construction as soon as the Wichita Falls, Ranger and Fort Worth railroads reach this point.

In addition to being in the midst of a most extensive oil development, Breckenridge is surrounded by an excellent farming country that has never been developed to its capacity, owing to remoteness from railroad transportation.

In addition to the big impetus that is coming to Breckenridge, the whole of Stephens county is feeling the impetus that has been brought by the Wichita Falls, Ranger and Fort Worth railroads.

The new town of Franklin that lies between Breckenridge and Ranger, is in the center of a great oil pool and surrounded by a good farming country. This town is now being developed by the building of the railroad that will run north from Ranger on its way to Breckenridge and New-castle.

Proves Yellow Mustard Conquers Pain and Frees the World of Much Sickness, Misery and Distress

Nineteen years ago chemist Begy discovered Mustarine. He made it with real, honest yellow mustard. To which other pain relieving ingredients were added. He said to the medical profession:

"Here is something twice as effective as your old fashioned, mussy, blistering mustard plaster."

"It's full of concentrated heat and heat eases pain."

"It won't blister—it can't blister."

"And one box will do the work of 50 mustard plasters."

The doctors tried it—were astonished—almost amazed. It stopped pain, aches and soreness quicker than anything they had ever seen.

They prescribed it for sprains and strains, for lumbago and gout. They found it invaluable to quickly reduce inflammation and remove congestion.

They urged its use in tonsillitis, Bronchitis, Pleurisy, Sore Throat and Chest Colds and found it wonderful. They grew enthusiastic—Mustarine was great. They tried it for rheumatism to limber up stiff joints and muscles and it didn't disappoint.

If you haven't tried Begy's Mustarine get a small box at your druggists today—it costs but little, the results are marvelous—but be sure it's Begy's—the quickest pain killer on earth—always in the yellow box, 30 and 60 cents.
